

## **NEWS about ASAHİ MACHINERY EUROPE GmbH**

After our company's name was changed to **ASAHİ MACHINERY EUROPE GmbH** and the company was restructured, the next step of our activities in 2011 was to move to a new office building in connection with the expansion of our spare parts stock, which provides now a three times higher storage capacity.

We are happy to inform that **Mr Frank Schumann** has joined our service team. As a senior service technician with many years of experience in servo-electronics of paper processing machines, PLC systems and VPN, Mr Schumann completes our highly qualified service team in these special fields.
